SETTLEMENT BENEFITS - WHAT YOU MAY GET

If you received notice that your Private Information may have been impacted in the *Jefferson, et al. v. Community Connections, Inc.* data incidents that took place on or around October 2024 and April 2026, and if you did not opt out of the Settlement, you may submit a claim.

The easiest way to submit a claim is online at www.CCDataIncident.com, but you can also complete and mail this Claim Form to the address above.

You may submit a claim for one or more of the following Cash Payment options. In addition, you will automatically receive a code to enroll in Credit Monitoring.

Cash Payment A – Documented Losses. You are eligible to submit a claim for up to $5,000.00 upon presentment of reasonable documentation of losses related to fraud and/or identity theft as a result of the Data Incidents. Documented Losses include, by way of example, unreimbursed losses relating to fraud or identity theft: if (i) the loss is an actual, documented, and unreimbursed monetary loss; (ii) the loss was more likely than not caused by the Data Incidents; and (iii) the loss was incurred after the date of the Data Incidents. To receive payment for documented losses, you must complete and submit a Claim Form and include third-party documentation in support of the Claim. Claims must be for actual, out-of-pocket monetary losses documented by receipts, invoices, or similar third-party records. Except as expressly provided herein, personal certifications, declarations, or affidavits alone do not constitute proper documentation, but may be included to provide clarification, context, or support for other submitted reasonable documentation. You will not be reimbursed for expenses if they have been reimbursed for the same expenses by another source, including compensation provided in connection with any credit monitoring and identity theft protection product. If you do not submit documentation supporting a loss, or if the Settlement Administrator rejects your Claim for any reason and you fail to cure the Claim, the Claim will be rejected. If you do not submit reasonable documentation supporting a loss, or if the Settlement Administrator rejects your Claim for any reason and you do not cure it, your Claim will be rejected and deemed as an election of Cash Payment C, provided the Claim was otherwise timely submitted.

Cash Payment B – Lost Time. You may submit a Claim for reimbursement for time spent remedying issues related to the Data Incidents or researching the Data Incidents at a rate of $25.00 per hour, for up to four (4) hours (a total of $100.00), which will require you to attest to the validity of the Lost Time Claim and to briefly describe the time spent. You may elect to submit a Claim for both Cash Payment A and Cash Payment B.

Cash Payment C – Alternative Cash Payment. As an alternative to Cash Payment A and Cash Payment B, you may elect to receive Cash Payment C, which is a cash payment in the amount of $50.00. No documentation is required to claim this benefit other than submission of a Valid Claim. Claims for Cash Payment C are subject to an aggregate cap of $250,000.00. In the event the number of claims for an Alternative Cash Payment exceeds the sum of $250,000.00, such claims will be reduced on a pro rata basis.

Credit Monitoring: In addition to a Cash Payment, you will be sent a code to enroll in two (2) years of Medical Shield Complete with one (1) bureau credit monitoring through CyEx. You do not need to submit a Claim but must activate the code sent to you in the Postcard Notice. Further details regarding the automatic enrollment will be available on the Settlement Website following final approval of the settlement.

Claims must be submitted online or mailed by October 6, 2026. Use the address at the top of this form for mailed claims.

For more information and complete instructions, visit **www.CCDataIncident.com**.

Settlement benefits will be distributed after the Settlement is approved by the Court and final.
